

CHRISTMAS 2023

Here we are once again – another year flown by. The years go faster as we get older!

Talking of getting older, our son, Ben, turned 50 in July. Our oldest grandson, Owen, turned 21, graduated from university, and got MARRIED! Welcome to the family, Alyse!

Our travels included two weeks at the beach in Cabo San Lucas, MX, and two Juice Plus+ Conferences, in Phoenix, AZ, and Charlotte, NC. Yes, [Juice Plus+](#) is alive and well after 30 years.

August found us in England for three weeks, a trip that was long overdue. We enjoyed seeing family and friends, sightseeing in London, Bath and Stratford-upon-Avon, and hiking in the Peak District and the Yorkshire Dales. Amazingly, the weather was fantastic!

We even went to a Liverpool (football!) game, watching “our team” beat Aston Villa 3-0, and took the Beatles Tour, of course!

In November Mick & Ben attended the Las Vegas Formula 1 Grand Prix – a special Father/Son adventure.

All in all, another great year. We hope yours was too!

We're grateful for family, for friendships, and for continued good health. We wonder what 2024 has in store ...?

God's blessings from our family to yours,

[Mick](#) & [Jenny](#)
